

Short biography Ten-Hut

Funky sounds and pumping Arabic grooves with a stimulating horn section: Ten-Hut has it all to make every show go through the roof.

Ten-Hut is known for its energetic live performance and interesting compositions, combined in a jacket of pop and funk. The band has been found on stages in and outside the Netherlands. Highlights were among others shows in the Melkweg, Surfana Festival and the Concertgebouw in Amsterdam. Ten-Hut has recently toured through Germany, France and Spain.

Last year, the band launched their new EP 'Clean' in a sold out Sugar Factory in Amsterdam.
